Total Value	\$	<u>\$56,530</u>

This decision is based on our finding that:

The issue before the Board is the assessed value of land/improvements

A hearing was held on December 11, 2018. Those present: Vice-Chair Ann Shaw, Reta Hutchinson, Clerk Debbie Myers, Appraiser Bradley Melanson, and Appellant Ernest Glondo.

Appellant Ernest Glondo reviewed the properties he is appealing and asked if he could submit pictures and a summary statement on the record. There was no objection from the Appraiser to submit the pictures onto the record. The Board said the Appellant could submit the pictures onto the record but not the summary. Appellant Glondo submitted pictures on the record which were marked by staff as Exhibits 1-7, for BE-180025; and said he is using the property for storage, but the home is unlivable.

Appraiser Brad Melanson said they are cleaning up the records and the increase is due to the market climb. The value stayed for years because the market was stagnate, but now it will go up or down depending on what the market is doing.

The Board determined that the improvement value be reduced to the previous value of \$1,290 for a total value of \$56,530. The improvements on this parcel are dilapidated and in a state of tear down. The Board of Equalization voted 2-0 to overrule the Assessor's valuation.
