REGULAR MEETING

DEPARTMENT HEAD

INFORMATION TECH.

Jim Goeben, IT Director indicated that there was a request pre-dating Ms. Scheffer that the County Fair Board would like an Instagram social media account to share pictures throughout the Fair.

Commissioner O'Brien stated that he attended the last IT Committee meeting and there was an extensive discussion on the pros and cons of an additional social media account and reviewed the concerns expressed. Those were primarily concerns for children in the pictures and parents or "guardians" not wanting their picture's out there for one reason or another and putting the child at risk.

Chairman Jewell and Commissioner O'Brien stated that they would not support the request for an Instagram Account for the County Fair to be updated by the Fair Board. They did indicate that they would have no objection for use of #fun@kittitascountyfair etc.

Meeting adjourned at 9:50 a.m.
