SPECIAL MEETING

PLANNING COMMISSION RECOMMENDATION

CDS

At 2:30 p.m. Chairman Wright opened a Special Meeting to discuss the Planning Commissions Comp Plan Hearing recommendations.

Dan Carlson, CDS Director explained that the Planning Commission failed to bring forward a recommendation on the County Comp. Plan and since it was a split vote. He reached out to Legal to see if it was even possible to move forward. Neil Caulkins, Deputy Prosecutor stated that in fact the Board could consider the Comp. Plan or the Board could remand it back to the Planning Commission however; due to timelines it would likely cause the Board to not make the deadline if they chose to remand it back to the Planning Commission.

Lindsey Ozbolt, Planning Official reviewed the timeline and outreach that had been done.

The Board determined they would move forward with the Public Hearing as scheduled.

The meeting was adjourned at 2:45 p.m.
