DEPARTMENT HEAD

MAINTENANCE

Tim Egan, Facilities Maintenance Director requested the Board consider authorizing him to purchase an additional truck for his department and it would be for him to use specifically. He stated that he has approximately \$90,000.00 in savings from what was left over from the amount budgeted for the backhoe. He said it didn't get spent so he would like to take approximately \$35,000.00 of the savings and get a "new" truck and then his would go to one of his guys as they are down 2 vehicles right now.
