SPECIAL MEETING

GLASS BRIEFING

COMMISSIONERS

At 10:30 a.m. Chairman Wachsmith opened a Special Meeting to receive a briefing from Patti Johnson, Solid Waste Director/Project Manager/Interim Maintenance Director regarding the County's position on glass recycling.

Ms. Johnson reviewed the issues the County is faced with and the tasks that would need to be accomplished and managed. She said that staffing wise it's not feasible and there is no location for it. There are risks of contamination and as of right now they have one person wanting to do it, however they are looking for funding for it.

The Board stated that they support recycling but understand that it should be a private venture and are supportive of private citizens working on that business venture.

The meeting was adjourned at 10:47 a.m.
