Regular Meeting

Information Technology

Meeting called to order at 11:10 AM.

Executive Session – Security of Information Technology

RCW 42.30.110 (1.a.ii) To consider, if in compliance with any required data security breach disclosure under RCW 19.255.010 and 42.56.590, and with legal counsel available, information regarding the infrastructure and security of computer and telecommunications networks, security and service recovery plans, security risk assessments and security test results to the extent that they identify specific system vulnerabilities, and other information that if made public may increase the risk to the confidentiality, integrity, or availability of agency security or to information technology infrastructure or assets.

The board was in executive session for 20 minutes. After the session ended the board approved the recommendation of the IT Committee not to bring Apple computers onto the county network and to consider funding training to assist the Communications Director. The board also approved the IT Director's recommendation to fund multifactor authentication tokens.

Other Business

Mr. Goeben updated the board:

- The IT Lean kaizen was very successful. IT will continue to work with the State Auditor's Office on service request process improvement.
- IT will be working this week with a security vendor to perform a risk assessment.

Meeting adjourned at 11:40 AM.
