MRT Update

Public Health enforcement is on hold for now, waiting for Public Works to work with MRT on Floodplain issues.

DD Millage Update

Kasey Knutson provided an update about the allocation of millage funds. There was discussion on how to allocate millage funds. Ms. Knutson shared a draft scoring rubric. There was discussion about direction on how to create criteria for funding allocation moving forward. The Board directed staff to draft an RFP and present to DD committee and bring back final version to BOCC for approval.

Positions/Staff Post-COVID

Tristen Lamb discussed position changes for staff:

- Chelsey to Director starting June 16 with salary change
- Audi to HP supervisor starting June 16 with salary change
- Kasey stipend as HP supervisor starting Aug 17 for the duration of Audi's maternity leave
- Marie job title to Community Health Specialist 1 starting July 1, no salary change
- Dora to Community Health Specialist 1 starting July 1 with raise to new base

These staff changes are budget neutral.

The BOCC approved the above position changes as presented.

Public Health District update

Director Lamb discussed where things are with the health district discussion. The BOCC directed staff to scope the plan for pursuing this in the future.
